SEAMLESS
COLLABORATION & PRODUCTIVITY
WITH HUBSHARE

Hubshare allows you to create collaborative working and share customer information, in an all-in-one secure and mobile workspace.

hubshare

ARE YOU READY FOR SEAMLESS COLLABORATION?

Connect all your information in one dashboard, and create branded, customised hubs for your customers.

All relevant interactions are available in one view, with the ability to manage limitless number of hubs within one installation.

Hubshare increases customer engagement and business efficiency empowering customers and colleagues to collaborate.

BOOST THE DIGITAL EXPERIENCE WITH HUBSHARE

DIGITAL CUSTOMER PORTAL

Create a customer portal and integrate their relevant documents and data through one portal with one login, providing customers with easy self-access to their information.

MOBILITY

Collaborate on files, tasks, deadlines and information from your integrated systems, anytime, anywhere from any device.

KNOWLEDGE SHARING

Share resources and files with colleagues and customers, and easily keep track of updates and changes.

BRANDING & BUSINESS DEVELOPMENT

Customise the portal interface to create a unique display with your customers details and brand.

SECURE FILE SHARING

Build secure hubs to share documents and allow your clients and staff to access it any time, from any device without compromising security.

PROJECT MANAGEMENT

All files, tasks, assignments and comments are in one place so project progression can easily be tracked and deadlines met.
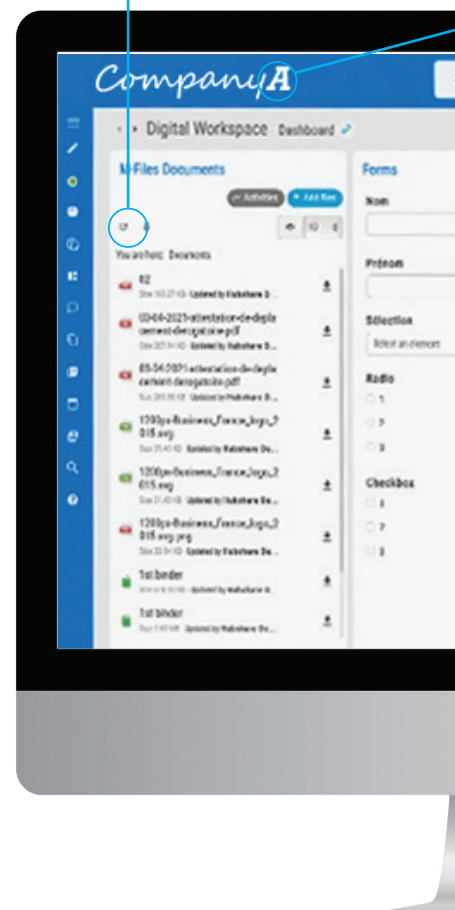

INTRANET

Securely and easily create and share documents using Hubshare to provide internal intranet and boost productivity.

TEAM COLLABORATION

Efficiently create hubs for each relevant project, centralising all files, deadlines and comments.

Share files securely
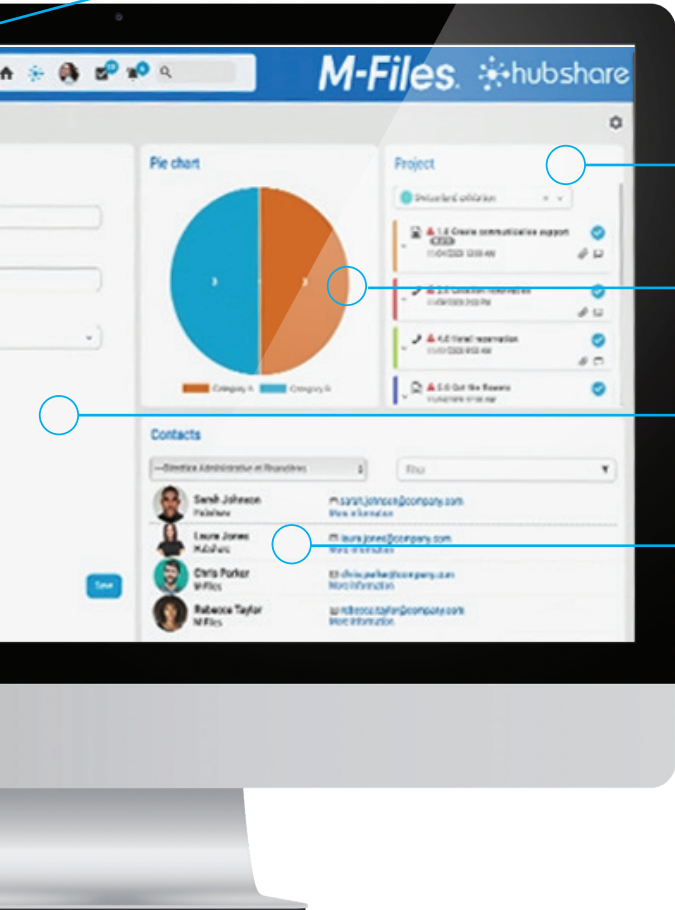

POWER UP YOUR M-FILES CONTENT

Enhance your M-Files experience through a seamless Hubshare integration that displays documents to your customers in an innovative branded portal. This way, giving them access to their confidential files anywhere, anytime.

Hubshare allows you to access and share documents without taking them out of M-Files.

EXTEND THE POWER OF M-FILES TO YOUR CUSTOMER EXPERIENCE:

- Improve the digital customer experience
- One single hub of truth for you and your customers
- Enhance your key business transactions
- Maintain top-notch security and compliance

FEATURES

- Secure access to your customers' documents with Hubshare
